

Retail POS Guardian™

A Retail Solution for Reducing the Spread of Germs

Retail POS Countertop Screen

The Retail Guardian™ is ideal for grocery, convenience and retail settings and is built to help reduce the spread of contagious, airborne germs commonly spread by coughing or sneezing. Create a protective shield in any place of commerce that requires direct interaction between employees and customers in close proximity such as POS checkouts.

The acrylic countertop screen comes with options for the size and type of opening at the bottom, allowing for the transfer of items or payment for transactions. The Retail Guardian™ reduces the risk of virus spread while allowing items to be exchanged at the checkout through a protective barrier.

- Overall three-panel dimensions: 3' - 3/4" x 6' 8"
- A sturdy, 'no-tip' solution that is portable and can fully collapse for storage
- Easily sanitized with any common disinfectant
- One year warranty
- Made in the USA

Quality Guaranteed

Built from durable, clear acrylic with solid aluminum frame to match the requirements of high traffic retail environments.

Safer Interactions

Put your customers at ease with a visible barrier that allows for face-to-face interaction while still maintaining separation of personal space.

Protect Your Employees

May help shield customers and employees from unintentional exposure to a sneeze or cough during transactions.
